ZM Trucks Selects ACT Fulfillment To Provide Parts Distribution Services For Its Zero-Emissions Vehicles In North America

Fontana, CA – April 25, 2025 – [ZM Trucks](#), North America, announces its cooperation with ACT Fulfillment to service its dealers, fleets, and service partners with Genuine ZM Trucks spare parts. The partnership with ACT Fulfillment will enable all parties to order spare parts directly from their online portals at [ZMTrucks.us](#) for fulfillment in three (3) different order classes. Emergency orders for expedited air freight, day orders, as well as stock orders.

ACT Fulfillment has a long history of working with automotive customers, and their inbound quality control, stocking, and pick-pack-and-ship processes will provide ZM Truck customers with efficient outbound services, featuring best-in-class order cut-off times and minimal exposure to transport damage.

“At ZM Trucks, we are committed to driving innovation and setting new standards for commercial vehicles,” said Joost de Vries, CEO of ZM Trucks. “Launching our North American manufacturing facilities and regional headquarters in Fontana, California, marks a major step in supporting the rising demand for our zero-emission vehicles. Our collaboration with ACT Fulfillment reinforces our commitment to maximizing vehicle uptime by ensuring consistent, efficient access to critical spare parts.”

“We appreciate ZM Trucks selecting ACT Fulfillment as their full-service logistics partner to manage their parts distribution in North America,” said Bob Gjerde, President and Chief Executive Officer of ACT Fulfillment. “We are excited to work with innovative companies like ZM Trucks to offer their customers the best possible parts distribution solutions available.”

ZM Trucks will showcase its Class 5/6 truck, the ZM8, at ACT Expo 2025, located at Booth #6477, from April 28th to May 1st at the Anaheim Convention Center in Anaheim, California. Attendees can register for the event at [actexpo.com](#).

The cooperation between ZM Trucks and ACT Fulfillment aligns with both companies' shared commitment to innovation, sustainability, and delivering cutting-edge parts distribution

solutions. This collaboration will drive continuous improvements in fleet operational efficiency.
